STANDARD PRODUCT WARRANTY

HoverTech International (HoverTech) warrants to the original end-user purchaser of its Products that each standard Product bearing the HoverTech name and purchased directly from HoverTech or our authorized distributors is free from defects in materials and workmanship for a period as outlined below. Warranty begins on the date of shipment.

- Disposable/Single Patient Use Devices – 90 days
- Air-inflatable Reusable Devices – 1 year
- Air Supplies – 1 year
- Reusable Wedges – 3 years for standard model, 1 year for bariatric model

In the unlikely event that a problem arises as a result of a defect in materials or workmanship, HoverTech will promptly repair your item or replace it if the item cannot be repaired – at HoverTech’s expense and discretion using current models or parts performing the equivalent function – upon receipt of the original item to HoverTech’s repair department.

This warranty is not an unconditional guarantee for the life of the product. The warranty does not cover product damage that may result from use contrary to Manufacturer’s instructions or specifications, misuse, abuse, tampering, or damage due to mishandling.

HoverTech Equipment is to be used solely with product purchased from HoverTech or its authorized distributors. HoverTech Equipment has been designed and safety tested for exclusive use with HoverTech products. A failure to use the Products pursuant to their respective “Intended Use and Precautions” as set forth in the cleared “Instructions for Use”, including the use of attachments and/or accessories not authorized for use with the Products by HoverTech, shall void this warranty.

Equipment that has been neglected, improperly maintained, repaired or altered by someone other than an authorized representative of Manufacturer, or operated in any way contrary to the operating instructions, shall void the warranty.

This warranty does not cover normal “wear and tear.” Component parts, particularly valve caps, their attachments and cords, will show wear with use over time and eventually may need to be refurbished or replaced. This normal type of wear is not covered by the warranty, but HoverTech will provide prompt, high quality repair service and parts at a nominal cost.

HoverTech’s liability under this warranty and on any claim of any kind for any loss or damage arising out of, connected with, or resulting from the design, manufacture, sale, delivery, installation, repair or

operation of its products, whether in contract or tort, including negligence, shall not exceed the purchase price paid for the product and upon expiration of the applicable warranty period, all such liability terminates. The remedies which this warranty provides are exclusive and HoverTech shall not be liable for any incidental or consequential damages.

There are no warranties, expressed or implied, which extend beyond this warranty statement. The provisions of these warranty clauses are in lieu of all other warranties, expressed or implied, and of all other obligations or liabilities on HoverTech's part and they neither assume nor authorize any other person to assume for HoverTech any other liability in connection with Manufacturer sale or lease of said products. HoverTech makes no warranty of merchantability or fitness for a particular purpose. There is no warranty that the goods will be fit for a particular purpose. By accepting the goods, the buyer acknowledges that buyer has determined the goods are suitable for the buyer's purposes.

MANUFACTURER'S SPECIFICATIONS ARE SUBJECT TO CHANGE.
